

Winchester Board of Appeals

Minutes of the June 29, 2023, meeting

Board members present were Feigenbaum, McGonigle, Marino, Andersen, Stevens, and Ghazarian.

The only matter on the agenda was for matter 3993 for the chapter 40B project on Cross Street. Feigenbaum reported that the applicant had asked for a continuance to July or August to have the Select Board and the state Department of Housing and Community Development consider their proposal to change the project from 9 to 8 units and the type from rental to ownership. After brief discussion the Board voted unanimously (Feigenbaum, Marino, and Simboli) to continue the hearing to July 20, 2023 understanding that a further continuance may be needed. Then the meeting was adjourned.
