

TOWN CENTER PARKING CHANGES

Beginning **Monday, December 8, 2014** the following parking changes will be implemented in the Town Center, as part of the Board of Selectmen's approved parking management program:

- Pay-by-space "Pay Stations" will be installed at Laraway Road and the upper Aberjona Lot to allow for long-term parking. The fee will be \$1.00 per hour with no maximum time restriction. The fee will be in effect between 8:00 AM and 6:00 PM, Monday through Friday. Users will not be able to "pre-pay" for parking before 8:00AM, and Town of Winchester parking permits will not be accepted in these locations.
- Directions for the pay-by-space "Pay Stations" are as follows:
 - Park your vehicle and note the number painted at the rear of the space.
 - Proceed to the Pay Station and pay for desired time.
 - Keep receipt of payment.

There is no need to display a ticket on the vehicle dashboard.

- Parking fees may also be paid using a mobile device. For more information visit www.mPay2Park.com.

In January 2015, the Town will also begin transitioning the existing 2-hour on-street parking spaces within the Town Center to 1-hour spaces, with some limited 30-minute parking opportunities. Visitors looking to park for longer than 1-hour should utilize the new pay stations at Laraway Road and the Upper Aberjona Lot.
